DID YOU KNOW?

Federal law requires disclosure of foreign investment in agricultural land. Click [here](#) to read more information about this disclosure.

HELP!!!! When renewing your license, make sure you have completed your CE requirement first. The renewal form asks whether **you have completed** your CE requirement, not whether you intend to have it done before the end of the renewal period. NOTE: It is not required for the courses to show up in your IREC education record before you renew, as long as you can certify you have already completed your education and have the course certificates in hand.
